

Sagestone is looking for a Mental Health Counselor to join our team.

We are seeking a Mental Health Counselor who ascribes to our mission and vision, is able to integrate a holistic, systems approach to their work, and for whom collaboration with colleagues, outside professionals, and community is paramount to their successful work with clients.

www.sagestonenc.com

Qualifications: Mental Health Counselor (LPC, LPCA, LSW, LCSW, PsyD, PhD)

Job Summary: Performs individual and group counseling, crisis intervention, and consultation/outreach. Provides psychological assessments, intakes and appropriate referrals. May perform other related tasks that are a part of Sagestone's daily operation. Individual clinical work is supervised, if necessary, by clinician's privately-contracted supervisor.

Reports to: Sagestone Director(s) and designated supervisor.

Essential Duties and Responsibilities: Conducts intake interviews with individuals who request counseling services and completes the required clinical documentation via our electronic recordkeeping system within the same day. Provides individual and group counseling on a scheduled basis or through crisis intervention. Maintains up-to-date clinical documentation via our electronic recordkeeping system. Consults with supervisor and staff as needed. Acts as a liaison between client and community resources as needed. Provides consultation to staff, and parents seeking assistance with troubled students or those with serious mental health issues. Attends training seminars, staff meetings and supervision as scheduled and as needed for continued licensure. Represents Sagestone at community collaborative events, as requested. Interacts with staff and clients in a professional and ethical manner. Participates in supervision, training, and treatment planning with an openness to learning and receiving feedback, with the understanding that team-based creative input supports mutual growth and development while facilitating a strong community resource base.

Knowledge, Skills and Abilities: Knowledge and basic skills in counseling practices and methods. Maintain professional license and liability insurance as required by the state of North Carolina and the American Counseling Association. Has the ability to: plan, implement, evaluate and report activities conducted; communicate effectively in writing and to prepare written and electronic documents; communicate, in person, via email, and by telephone; travel to meetings and counseling sites, as needed; establish rapport with others as a requisite for healthy and therapeutic relationships; present oneself in an appropriately personable and professional manner to clients and staff; receive and utilize constructive feedback regarding performance, presentation and relationships with others; be both consistent and flexible as circumstances warrant; effectively weigh and evaluate personal needs, client needs and the aims and policies of Sagestone and to respond and negotiate these competing needs as appropriate; remain calm and supportive in psychological emergencies and/or crises when provided with appropriate supervision and direction; and, have an enhanced level of self-awareness as to how he or she relates to others and an ability to effectively modulate this personal style as conditions warrant.

For consideration, please send cover letter, resume/cv, copy of licensure, and contact information for 2 references to: info@sagestonenc.com. If you have questions, please call 252-515-0557.
